

# CRAFT BEER

## KAMIKATZ LEUVEN WHITE

Fruity beer flavored with "Yuko", a special citrus fruit from Kamikatsu. Yuko peels are used as a spice in the beer.  
Unfiltered, with live yeast in the beer.

## KAMIKATZ PALE ALE

European and American hops used in this ale leave subtly spicy yet soft aftertaste.  
Pairs well with the natural sweetness of our pork ribs.

## KAMIKATZ IPA

To ensure optimum quaffability, this IPA has a lower-than-average ABV. Less malt balance highlights hop bitterness and aroma. It's also slightly spiced with coriander seeds.
