

PRIVACY POLICY

The Company establishes a Privacy Policy as stated below, building a mechanism for personal information protection, and promoting the protection of personal information by thoroughly educating all employees on the importance of personal information protection and their efforts in this regard.

Management of Personal Information:

The Company will maintain customer's personal information in an accurate and up-to-date manner to prevent unauthorized access, loss, damage, alteration, leakage, etc. to personal information. Necessary measures such as maintaining and managing security systems, establishing management systems, and thoroughly educating employees will be taken to implement safety measures and strictly manage personal information.

Purpose of Use of Personal Information:

Personal information provided by customers will be used to respond to inquiries, provide information about the Company's services, and send emails and materials.

Prohibition of Disclosure and Provision of Personal Information to Third Parties:

The Company will appropriately manage personal information provided by customers and will not disclose it to third parties except in the following cases:

- With the customer's consent.
- When disclosing to business partners entrusted by the Company to perform the services requested by the customer.
- When disclosure is necessary based on laws and regulations.

Security Measures for Personal Information:

The Company will take appropriate security measures to ensure the accuracy and safety of personal information.

Inquiries from the Data Subject:

If a customer wishes to inquire, modify, or delete their personal information, the Company will confirm their identity and respond appropriately.

Compliance with Laws and Regulations, and Review:

The Company will comply with Japanese laws and regulations applicable to the personal information it holds and will periodically review and strive to improve this policy.

In the event of any inconsistency between the Japanese language version of this Policy and the English version, the Japanese language version shall prevail.
